***Deadline: May 17<sup>th</sup>, 2016***

**Community College Biology Faculty Enhancement through Scientific Teaching (CCB FEST)**

CCB FEST is an NSF-funded project that seeks to provide support and develop professional learning communities for current and aspiring San Francisco Bay Area community college biology faculty.

**Principal Investigators:**

Jeff Schinske, M.S., Biology Instructor, De Anza College & Grad Alum of SFSU Dept. of Biology

Kimberly Tanner, Ph.D., Professor of Biology, San Francisco State University
